Foreign-Trade Zone (FTZ) 134 – Chattanooga, Tennessee; Notification of Proposed Production Activity, Cormetech, Inc. (Selective Catalyst Reduction Catalysts), Cleveland, TN

Cormetech, Inc. (Cormetech), an operator of FTZ 134, submitted a notification of proposed production activity to the FTZ Board for its facility in Cleveland, Tennessee. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on April 1, 2015.

A separate request for subzone designation at the Cormetech facility is planned and will be processed under Section 400.31 of the FTZ Board's regulations. The facility is used for the production of selective catalyst reduction catalysts and related elements (logs), which are used for emissions reduction in power generation, industrial, marine and petrochemical applications. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Cormetech from customs duty payments on the foreign status materials and components used in export production. On its domestic sales, Cormetech would be able to choose the duty rate during customs entry procedures that applies to selective catalyst reduction catalysts and related elements (free) for the foreign status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: anatase titanium dioxide; glass fiber; clay; carboxyl methyl cellulose; polypropylene (RP chop); polyethylene oxide (PEO); ammonium metavanadate (AMT); hydroxypropyl methylcellulose (methocel); manganese acetate;

vanadyl oxalate; ammonium heptamolybdate (AHM); pressing/lubricating agents; ammonium polyvanadate; and, honeycomb ceramic porcelain (duty rate ranges from free to 6.5%).

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is **[INSERT DATE 40 DAYS AFTER DATE OF DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's website, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

For further information, contact Pierre Duy at [Pierre.Duy@trade.gov](mailto:Pierre.Duy@trade.gov) or (202) 482-1378.

Dated: April 16, 2015.

Andrew McGilvray,  
Executive Secretary.
